**RESPONSE TO RESTRICTION AND ELECTION REQUIREMENT**

Dear Sir:

This is in response to the Office Action dated January 27, 2011, in which a restriction requirement was presented under 35 U.S.C. §121 and 372. Applicants elect Group I, claims 1-11, drawn to a chemical compound and an insecticidal composition containing the compound.

The Examiner also required election of a single species of the generic invention because the species were deemed to lack unity of invention. Applicants elect the compound of Example 2 as the species for examination.

The Examiner is respectfully requested to contact the undersigned at the telephone number set forth below if the Examiner believes that a call would be helpful to advance the prosecution of this application.

The Commissioner is hereby authorized to charge any fees that may be required, including any fees under 37 C.F.R. §§1.16 and 1.17, for the filing of this paper to Deposit Account No. 06-1440.

Respectfully submitted,

Date: February 9, 2011
